Conflict in hamlet act 1 scene 2

LitCharts assigns a color and icon to each topic in Hamlet, which you can use to track topics throughout your work. Religion, honor and vengeance Poison, corruption, death The morning after Horatio and the guards saw the ghost, King Claudius delivers a speech to his courtiers, explaining his recent marriage to Gertrude, his brother's widow and Prince Hamlet's mother. Claudius says he mourns his brother, but he decides to balance. Denmark mourns the delight of his marriage. He mentions that young Fortinbras wrote to him, hastily asking for surrender countries king Hamlet conquered from Fortinbras' father, and dispatcher Cornelius and Voltimand with a message for the Norwegian king, Fortinbras' an older uncle. His speech is over, Claudius turns to Laertes, the son. Lord Chamberlain, Polonius. Laertes expresses his wish to return to France, where he stayed before returning to Denmark, for Claudius' coronation. Polonius gives his son permission, and Claudius jovially gives Laertes his consent as well. Turning to Prince Hamlet, Claudius asks why clouds still hanging on to him, as Hamlet still carries black grief clothing (I.ii.66). Gertrude invites him to discarded its night color, but bitterly replies that its the inner sadness is so great that its dour appearance is only poor. mirror (I.ii.68). Affects the tone counsel, Claudius declares that all fathers die, and all sons must lose their fathers. When a son loses his father, he is obliged to grieve, but to grieve for too long is insatied and inappropriate. Claudius invites Hamlet to consider him a father, reminding the prince that he stands in line for success on the throne after Claudius died. With that in mind, Claudius says he doesn't want to. hamlet to return to school in Wittenberg (where he was studying before his father's death), as Hamlet had requested. Gertrude resushes with her husband, professing a desire to keep Hamlet near her. Hamlet strongly agrees to listen to her. Claudius claims he is so pleased with Hamlet's decision to stay that he will celebrate with festivities and cannon fire, an old custom called the king's excitement. By ordering Gertrude to follow him, he accompanies from the room, and the court follows. Sam, Hamlet exclaims that he wishes he could die, that it could evaporate and cease to exist. He bitterly wants God to. he didn't commit suicide by sin. Upset, complaining about his father's death. and my mother's haste marriage to her uncle. He remembers how deep in love his parents seemed, and he cursed the thought that now, not yet Two months after her father died, her mother married her father. a far inferior brother.
